Quick Tips

- ✓ Be creative in choosing your poem/dialogue/story. Try to think out of the box
- ✓ Practice your speech beforehand. Speak with confidence
- ✓ Think of how you can include interesting facts and humor in your presentation
- ✓ While recording your video, look directly into the camera lens and speak with confidence
- ✓ Speak in a loud and clear voice so that the video quality is good
- ✓ Record the video in a place at home where there is no disturbance or other noise in the background
- ✓ There should be light on your face and body. Choose a well lit area
- ✗ Don't spend too much money to purchase expensive things to make your costume. Instead, create a simple but creative outfit at home
- ✗ Don't be nervous. Remember, the goal is to have fun!
- ✗ Don't choose any topic that can impact people's religious or political sentiments
